Docket No. 180,805

ORDER NUNC PRO TUNC

The Appeals Board has reviewed its Order of April 12, 1994, entered in the above reference matter and finds that the date of accident should be, and hereby is, corrected to be a series of repetitive mini-trauma culminating on March 18, 1993. Without additional evidence, the Appeals Board is unable to assume that the letter of Dr. J. Stanley Jones dated November 2, 1993, contains an erroneous date of consultation.

IT IS SO ORDERED.

Dated this ____ day of June, 1994.
